Thank you, Janice and Clare.

I agree that Professional Movers of Charleston's tariff and BoL does not specifically reflect a limited scope. The tariff and BoL that were approved in the order granting the certificate are sufficient to carry on as their statewide tariff and BoL. We don't believe any amendments to them is necessary.

What is the Office of Regulatory Staff's opinion regarding the bill of lading and tariff?

Yes - we applied for Statewide initially, so the tariff that was approved reflects that.

Does the tariff include statewide anywhere in the current tariff?

We do have approval on the current Bill of Lading and Proposed Tariff (attached to the Order).

Will that suffice, or is a new version required?

Thank you for your help!

Clare

I would suggest you submit a copy of the proposed Bill of Lading and Proposed Tariff including statewide with the request.

Good Morning,

Attached is a request for an Amendment of Scope of Authority for our client, Professional Movers of Charleston.

They have a Class E Households Goods Certificate, issued for Charleston, Berkeley, and Dorchester County. They would like to expand to Statewide Authority.

Please let me know if you need anything else from our firm to complete the Amendment.

We are asking that the Scope of Authority be amended without a formal hearing with the Commission.

Thank you,

Clare
